

## Ride a Bike Night – 6<sup>th</sup> July

This year Alan Bromwich took over organising duties from Paul Harris, who had looked after the event for several years. We had a dry evening and a splendid attendance, marred slightly by there having been two road accidents in the Stourbridge area that caused traffic chaos and delayed or prevented a number of people making it to the Round Oak. The pub was, as always, welcoming and helpful, and allowed us to cordon off the car park area nearest to the building, which makes an excellent area for our bikes. In total members signed in 25 machines, and there were a few more guests that went unrecorded, plus other visitors and people who came to have a look.

Concours judging was undertaken by Ian Goodhall and Stuart Munroe, with their choices being

the 1914 Douglas 2 $\frac{3}{4}$  Model U of Paul Harris for the George Burrow Cup (left), and the 1955 Triumph Tiger 100 of Lindsay Wilson for the Harry Haddock Cup (right).
